FOR IMMEDIATE RELEASE

AMP Foundation chooses VirtualCC as one of its tomorrow makers for 2023

Harcourt, Victoria - VirtualCC is proud to announce that it has been chosen as one of the tomorrow makers for 2023 by the AMP Foundation. This is a great opportunity for VirtualCC to begin fulfilling its mission to create jobs for those unemployed who are Over 50 and live in regional Victoria.

VirtualCC extends its thanks to the AMP Foundation for this opportunity and CSI Swinburne Social Impact Studio for their assistance in helping us in this early stage to understand how we might approach our next phase.

VirtualCC is still at the beginning of the process and wants to talk to others who have lived experience of ageism when applying for jobs. We are also interested in talking to organizations who might be interested in engaging a social enterprise as an outsourced contact center.

If you are interested in supporting our efforts financially, you can make a donation at our website www.virtualcc.org.au.

For more information, please contact Paul Mizzi at +61 409 229 331 or paul@virtualcc.org.au
